# Al Aziz Communications

<http://www.alaziz.co.in/>

We are an emerging manufacturer, exporter, importer, trader and supplier firm rendering modern day Vehicle GPS Tracking System and Service. We are gaining huge popularity for the offered superior quality GPS Device Repair Service.

## About Us

Established in the year **2014**, **Al Aziz Communications** is the fastest growing manufacturer, exporter, importer, trader and supplier firm dealing in high performing Vehicle GPS Tracking System and Service. We strive to tune with the prevailing technology to bring forth the best offerings for our clientele, including much anticipated Vehicle GPS Tracking System, Personal GPS Tracking System and Child GPS Tracking Device. Owing to the strong technical background and knowledge expertise of our professionals we have developed innovative product range that is globally acclaimed for its superior performance, ease of operation, user friendly map interface, space saving design, hidden installation and longer service life. Moreover, our offered GPS Device Repair Service ensure our proficiency to deliver what is expected within the agreed time frame.

Our growth strategies are backed with a huge client base from logistics sector, oil & gas industry, banks and multinational corporations. Owing to the best GIS maps and most reliable GPS hardware used in our product offerings, we are able to track all kinds of vehicles for individuals and corporate organizations. Besides, we are instrumental in procuring innovative mechanism from China to bring forth the key technology in our offered tracking systems. Our ability to address the exacting client needs earned us the authority to become trading partner of leading brands such as Teltonika, Smart Tracker, Concox and V...
